MEET A CASA

MEAGAN VERRET

Meet Meagan Verret. She has been a CASA volunteer for 2 years. She has advocated on behalf of 2 children. Meagan is a pre-k teacher at Bourg Elementary. Her love for children and the happiness it brings her shines through in all that she does. Meagan has a strong faith in God; it is her guide in troubling times. Meagan is currently engaged. Unfortunately, her wedding was pushed back due to Hurricane Ida; but, she will be married on February 12, 2022 to her fiancé Hunter Hasler. She has one son, Colton, and three dogs, Chester, Mickey, and Beau. When not at work or tending to mommy duties she most enjoys spending time with family and friends. She loves taking road trips, going fishing, and going camping.

"Our children need that consistent person in their life to bring love and happiness to them."

Meagan is a lifelong resident of Houma. She is an only child and grew up in a typical Louisiana home. Meagan first heard about CASA through a friend in college. Meagan thought about being a volunteer for several years but felt like she didn't have the time. Then one day she stumbled upon a flyer for training held in the summer. She felt this was God opening the window of opportunity to finally be a CASA volunteer. She was able

to complete the training during the summer months while out of school.

When asked what advice she would give to someone thinking about becoming a CASA she said, "Being a CASA is so truly rewarding. Our children need that consistent person in their life to bring love and happiness to them. Let your light shine and be a CASA! Meagan quotes the bible, "Let your light shine before others, so that they may see your good works and give glory to your Father who is in Heaven." – Matthew 5:16

A CASA polo will be donated to this month's CASA Volunteer by Shelly Toups at Artistic Embroidery.

A MESSAGE FROM CHRISTINE AUCOIN

EXECUTIVE DIRECTOR

December is always a busy time, and this year was no exception. We have had several cases close resulting in both reunifications with parents or adoption. It is also the time of year when our community steps up to ensure that our CASA children have a merry and bright holiday. The response to our request for gifts and monetary donations was met with generosity from our amazing community. Every child we advocate for received everything on their wish list. What an amazing show of support! We also had a first-time cookie exchange, ugly sweater, reindeer games event. Our goal of getting together for fellowship and fun with our volunteers was a huge success. We are already planning next year's event. As we prepare for 2022, I want to take a moment to look back at 2021 and highlight some of the achievements here at CASA.

Stats for this calendar year include:

- **65 volunteers advocated for 112 foster children**
- **Volunteers spent 1,517 hours advocating and 16,476 miles traveling for their case**
- **31 cases closed and for many of these cases the volunteer stayed on the case until it closed**

These statistics do not fully convey what a CASA brings to a child in foster care. For

every hour spent or mile traveled, there is a child who is receiving much-needed love and attention from a caring adult. The volunteers continue to bring to their advocacy role compassion, understanding, and commitment to the goal of being a voice for the children in foster care. This year they once again navigated through the chaos of COVID and the added disruption of Hurricane Ida in order to continue to advocate for the best interest of the children on their cases. It is an honor and privilege to know each of the volunteers and see the difference they make.

As the New Year begins, we will continue to seek volunteers throughout the community who are willing to make a difference in the lives of abused and neglected children right here in Terrebonne parish. Come be a part of “changing a child’s story”.

Wishing you blessings and prosperity in 2022!
